

Dear _____

My school is collecting Box Tops for Education. They are the little pink "coupons" that you can find on General Mills cereals, Betty Crocker, Pillsbury and lots of other products. They are even on Kleenex, Cottonelle, Ziploc, Saran Wrap and Viva! I'll bet you have some at your house right now!

Each Box Top is worth 10¢. During the 2010-11 year our school earned over \$3,000 from Box Tops, and we'd like to do it again in the coming school year. Can you believe our school can make money on something that is normally thrown in the trash? Please don't throw away any Box Tops you have. I would really appreciate it if you can send them to me. It will help me and my classroom to win Box Top Prizes, and the money we earn from Box Tops helps the PTO to provide great programs for Canyon Creek Elementary students!

Attached is a product listing of all of the items that Box Tops can be found on.

I really hope you can send me some Box Tops soon!

Sincerely,

PS: You don't have to rip up your food boxes to send me Box Tops. If you take an exacto knife and gently cut around the Box Top, you can peel it right off. It also makes the Box Top light and very easy to mail!
