

Volunteer Form

Canyon Creek Elementary PTA

Volunteers are an important part of Canyon Creek Elementary School. By volunteering your time, you support the staff and our students as well as enrich the curriculum. Please read through this list and indicate which committees are of interest. **Please return this form to your child's teacher by Friday, September 11, 2009.** More information on each committee (including time commitment) can be found on the CCE PTA Website (www.canyoncreekpta.com/VolunteerPortfolio.htm). If you have a question about one of the committees, please contact that chairperson.

Thanks for your support! Jennifer Bennigson, Volunteer Coordinator (jbennigson@austin.rr.com)
